

The logo features the acronym 'BAMI' in large, bold, sans-serif letters. The 'B' and 'A' are blue, while the 'M' and 'I' are red. To the right of the letters is a stylized line graph with two lines: a blue line and a red line. The blue line starts at a high point on the left, drops sharply to a low point, and then rises to a medium point. The red line starts at a low point on the left, rises to a medium point, and then drops to a low point. The lines cross each other twice. The graph ends with a red line segment that is faded and points towards the top right corner. The entire logo is framed by a thick blue horizontal bar at the top and a thick red horizontal bar at the bottom.
